

Nursing Faculty Position Announcement

Toccoa Falls College, a Christian liberal arts college in northeast Georgia, seeks Nursing Faculty for a new Bachelor of Science in Nursing (BSN) Program to be fully implemented in August 2017, pending approval by the Georgia Board of Nursing and the Southern Association of Colleges and Schools Commission on Colleges. (GBON granted approval to develop the program on March 26, 2015; SACSCOC provided written, preliminary support for all components pending the faculty roster form on July 15, 2015.)

This tenure-track position will begin in the late spring or early summer semester (2016), for the successful applicant, and will report to the Dean of Nursing. The candidate participates in selecting and advising students; curriculum development; program revisions and evaluations; textbook selection; teaching in the classroom, clinical setting, and simulation laboratory; evaluation of student achievement; and other activities as assigned and in accordance with the mission and purposes of the College and the Department of Nursing.

Duties & Responsibilities:

- Support the mission and philosophy of Toccoa Falls College and the Department of Nursing.
- Promote teaching-learning practices and environments (classroom, clinical setting, simulation lab) that support the achievement of course objectives and expected student outcomes.
- Collaborate with colleagues and others in developing, implementing, and evaluating instructional programs to meet relevant learning outcomes.
- Prepare course syllabi, programs of study, exams, audiovisual materials and other teaching learning activities that facilitate student learning experiences.
- Demonstrate achievement of faculty outcomes which contribute to the attainment of the College and Department of Nursing's mission and goals.
- Participate in assessment and evaluation of course objectives, goals, and student outcomes as required by the College, Georgia Board of Nursing, and The Commission on Collegiate Nursing Education.
- Foster professional relationships with clinical practice settings, the Department of Nursing, and the College.
- Participate in academic advising and counseling of pre-nursing and nursing students consistent with current Department of Nursing requirements and Christian values.

- Engage in professional development activities, including national and regional professional organizations.

Qualifications:

- Earned doctorate preferred. A Master of Nursing is required.
- Must have at least five years of experience in the nursing profession and at least one year of nursing education experience.
- Academically and experientially prepared for the areas in which they teach.
- Must hold an unencumbered Georgia RN license.
- A mature Christian walk, full affirmation of the college's mission and statement of faith, willingness to abide by the lifestyle requirements of the institution.

Application: The application procedure is available at <http://www.tfc.edu/wp-content/uploads/faculty-pre-application-process.pdf>. Submit a letter of application, curriculum vitae, unofficial transcripts (candidates will be asked to send official transcripts upon invitation to interview), three names of potential references, and personal testimony/faith narrative to Ms. Mary Kaye Ritchey, Human Resources Director at mritchey@tfc.edu. Likewise, any preliminary questions can come to Deborah Alvater, Dean of Nursing, dalvater@tfc.edu. *All materials will remain confidential.* Candidates will present a topic in an area of research or an administrative or leadership project during the campus interview. As an equal opportunity employer, TFC encourages women and minorities to apply. Review of applications will begin immediately. Salary commensurate with qualifications and experience.
