TOCCOA FALLS COLLEGE

RESIDENTIAL ADJUNCT POSITION

GENERAL SCIENCE – SPRING 2019

Overview

Toccoa Falls College seeks an *adjunct professor of science* for spring semester 2019. Qualifications include an earned graduate degree (M.Ed., M.S., or Ph.D.) with a sufficient number of graduate hours in the natural sciences.

Previous teaching experience in a secondary or collegiate setting is strongly desired, as well as a passion to influence students positively, and an ability to effectively articulate the relationship between science and faith. Candidates must be committed believers devoted to the Christ-centered higher educational mission of the College and abide by its lifestyle standards.

Responsibilities

Responsibilities involve teaching a 3-credit freshman level general science course for non-majors (SCI 113, Scientific Literacy). Lectures are scheduled for Monday, Wednesday, and Friday 1:00-1:50 PM. The first day of class will be Wednesday, January 23 and the final exam will be Friday, May 10. The adjunct will receive a $1,500 stipend plus travel expenses if commuting from outside Stephens County.

Institutional Information

Toccoa Falls College is a four-year Christian college affiliated with the Christian & Missionary Alliance, holding to a strong evangelical position, and is a full member in the Council for Christian Colleges & Universities (CCCU). It is located in the foothills of the Great Smoky Mountains, 95 miles north of Atlanta, Georgia.

To Apply
