

# SEBY JONES LIBRARY

## ONLINE SERVICES

### ***What's new at the library?***

We have recently updated our catalog system to WMS Discovery. We are still in the process of getting our catalog update complete, so please let us know if you have any problems or questions.

### **Accessing e-Books**

There are several ways to gain access to our e-Books.

**\*You can use the search box located on the library's homepage. If an ebook is available directly through our catalog, you will see a View eBook tab to select.**

**\*Select e-Books under the Resources tab. This will take you to the EBSCOeBook collection. You will need a login to access these. Please contact the library to have a personal account set up or use the username and password located on the Database passwords.**

**\*Select Full GALILEO under the Resources tab. Use search terms to receive a results list. Refine your results and limit by type to eBooks. Results that we have access to will show the PDF or download tab.**

**The GALILEO password is "fasten."  
This will be good until May 5, 2019**

*Database and GALILEO passwords can always be retrieved from the password tab on myTFC.*
