Dear Ms. Timian:

Thank you for giving our students and faculty the opportunity to check out books from the UGA Library. Your willingness to allow us to access your collection provides our students and faculty with a much broader base for conducting research than we could offer on our own. We greatly appreciate your generosity.

_____ is a faculty member in good standing at Toccoa Falls College who we know will not abuse the privileges you have extended. The faculty member has been advised that if these privileges are abused they will be revoked immediately.

I am requesting borrowing privileges for this faculty member for the current contract year which ends **July 31, 2020**. Again, thank you for your help and cooperation. We sincerely appreciate the services you have extended and the interest you have shown in our students and faculty.

Sincerely,

Mr. Armand T. Ternak, Library Director
