Admissions Acceptance

Before we can create a financial aid offer for a student, they must first be accepted to the college.

How to Complete the Admissions Acceptance

If you have not been accepted to the college, you will need to contact the Admissions Office at (888) 785-5624 to see what items are still missing and submit them to their office as soon as possible. Once you have been accepted, our office is generally notified within 2 business days.

If have been accepted to the college and our records are incorrect, please give us a call or send us an email so that we can investigate this situation further. Our contact information is provided at the top of this page.

If you have any questions, feel free to call or email us (*see top of page*). If you would prefer, you can also schedule a Zoom meeting, in person meeting, or phone call with a member of our Financial Aid Team at <https://calendly.com/tfc-financial-aid/>.
