GAFUTURES FUNDING LIMITATIONS

A student, approved by the eligible High School or Home Study program and the eligible Postsecondary Institution, may participate in the Dual Enrollment Program during their 11th and/or 12th grade years (10th grade if SAT/ACT High Achiever Scores and GPA are met). Eligibility may not be extended beyond a student's 12th grade year. Students are permitted to take up to 15 credit hours per semester across all postsecondary colleges. In accordance with HB 444, the State has limited total funding eligibility to 30 credits. A repeat/retake of a course will not be eligible for funding. If the student has withdrawn from more than one dual enrolled course, he or she is no longer eligible to receive State funding.
