IRS Tax Return Transcript

You can obtain the required documentation through one of the five options below. Once you have the necessary document, you can upload it to the [TFC Financial Aid Portal](#).

Option 1: Submit a Copy of Your 1040 Form

Your 1040 should be included in your tax paperwork from 2022. You can see what the 1040 looks like [here](#). Below are some guidelines to keep in mind when submitting your 1040:

- For the 2024-25 academic year, we're required to verify 2022 tax information, so please submit your 2022 Federal Tax Return.
- If your tax return is accompanied by a Schedule 1 or IRS Form 8863, please submit those along with your return
- Tax returns must be signed by the filer or have the preparer's PTIN/EIN to be accepted
 - Please sign with a wet or drawn signature (we cannot accept typed signatures)
- Please ensure that the return is clear enough to read and that no information is cut off.
