

EDUCATION & TRAINING

An informed community helps to make positive decisions for those within our community. Toccoa Falls College is committed to educating students, faculty, and staff on a year round basis to help reinforce our commitment to a healthy and safe community. These efforts include, but are not limited to:

- Partnership with Safe Colleges Vector Solutions to provide online training for students, faculty, and staff in various matters of Title IX, sexual misconduct, bystander intervention, and healthy relationships.
- All first year and transfer students receive educational/informational sessions at New Student Orientation prior to the start of their first semester at TFC that discuss Title IX policy, sexual misconduct, bystander intervention, healthy relationships, campus policy, and campus/community resources. This effort is led by the Vice President for Student Affairs and Director of Housing and Residence Life.
- Ongoing programs are conducted throughout each Fall and Spring semester in active and passive formats to help reinforce the message that healthy relationships matter at any given time. Departments collaborate to help these programs/campaigns reach as many on campus as possible. Students are invited to be engaged in this programming development/outreach. One example of such programming from the 2023-2024 academic year was the celebration of “denim day” which raised awareness for sexual assault survivors through the artistic displays of sidewalk chalk.
- Residence Life proactively communicates formally and informally the importance of healthy relationships to the residential student population. If you would like a presentation or informational session for your group, department, class, sports team, student organization, or residence hall floor on how we foster a healthy and safe community, please contact Dr. Wynn Coggin at wcoggin@tfc.edu.

TFC’s Title IX Employees

TFC has a group of employees that have gone through a variety of trainings to help investigate and adjudicate Title IX reports of sex-discrimination. These trainings include but are not limited to:

- GICA Title IX Coordinator Training
- GICA Title IX Deputy Coordinator Training
- GICA Title IX Decision Maker Training
- GICA Title IX Investigator Training
- GICA Title IX Informal Resolution Training

- GICA Title IX Hearing Panel Member Training
- GICA Bias Awareness Training
- TrainEd Webinars Summer 2020 hosted by the CCCU

This training courses are available upon request. If you have any questions about this policy, trainings, or other Title IX information please reach out to our Title IX coordinator Dr. Wynn Coggin at wcoggin@tfc.edu.
