

Spring 2025 Dual Enrollment Courses

16-Week Courses: January 21 - May 14

Session A Courses: January 21 - March 14

Session B Courses: March 24 - May 14

ONLINE COURSES

Courses are offered during accelerated 8-week sessions (designated as session A and session B) and/or during a traditionally paced 16-week session. The same content is covered at varying paces, and the same number of credit hours are earned for the completion of a TFC course in any offered format.

GAFUTURES FUNDING LIMITATIONS *(Adapted from GAFutures.com)*

11th - 12th grade* students, enrolled in and approved by an eligible public, private, or homestudy program in Georgia, may participate in the GAFutures Dual Enrollment Program. The Dual Enrollment Funding Cap is 30 semester hours across all postsecondary institutions, and students may not exceed 15 hours within a given semester. Students must meet federal Selective Service registration requirements, per Georgia state law. A repeat/retake of a course is not eligible for funding, and a student is no longer eligible to continue to receive program funding after withdrawing from Dual Enrollment course(s) two (2) times.

**10th graders may access GAFutures funding eligibility early with a 1200 on the SAT or a 26 on the ACT*
