

Summer 2026 Online Courses

Summer Online Courses: May 26 - July 17

ONLINE COURSES

Courses are offered during accelerated 8-week sessions (designated as session A and session B) and/or during a traditionally paced 16-week session. The same content is covered at varying paces, and the same number of credit hours are earned for the completion of a TFC course in any offered format.

RESIDENTIAL STUDENTS

Online courses taken during the summer term do not count against the twelve credit hours of online courses allowed to each residential student.

PREREQUISITES

Courses with prerequisites—requiring the completion of a previous course or its equivalent—are specified in the far right column.
